

Pickleball Comes to Otis

The Otis Recreation and Parks Commission will be offering pickleball at the Farmington River School Gymnasium on 2 courts that have recently been added to the gym floor. A start up meeting has been scheduled for Monday March 11th at 6:30 PM to discuss development of the program. The gym will be open from 5:30 PM until 8:30 PM that evening to give people interested in playing and learning the game an opportunity to try the courts. The school is located at 555 North Main Road on Rte. 8 just north of the center of Otis.

Marilee & Jim Higgins from East Otis finish taping the second pickleball court in the Farmington River School gym.
