Sheffield, Stockbridge and Tyringham

## **Be Ready to Stay Healthy Pre-Registration is Open for South County SBPHC Flu/COVID Vaccine Clinics**

The Southern Berkshire Public Health Collaborative (SBPHC) is ready for the upcoming respiratory illness season... are you?

Do you have a loved one that is unable to leave the house and could benefit from an in-home vaccination?

The public health program at SBPHC is gearing up to make it easy South County residents to access the vaccines they need to stay healthy this fall and winter by offering pre-registration assistance for clinic appointments and by increasing awareness about our homebound vaccine program.

SBPHC staff will be holding a no-cost clinic at the:

**Otis Town Hall, November 5, 2024, from 11:00 am- 1:00 pm**

as part of a series of clinics being held throughout Southern Berkshire County during October, November and December. A full list of all these clinics can be found at [www.southernberkshirehealth.com](http://www.southernberkshirehealth.com). In-home vaccinations are also available to people living in member towns who are homebound who call the office and request an appointment.

**You can register for your flu or COVID vaccine using one of these three easy methods:**

1. Go to <https://home.color.com/vaccine/register/tritown> and pick the desired clinic.
2. Attend the **pre-registration event being held at the Otis Town Hall on September 25, 2024, from 10:00- 11:00 am** OR
3. Contact SBPHC staff at (413) 243-5540 x109 so that they can register you over the phone and/or set up an appointment for a person who is homebound.

Although the flu and COVID vaccinations are provided at no cost, we ask that you have your insurance card with you at the time of registration as well as the day of the clinic. This will reduce your wait time the day of your vaccine appointment.

Our goal is to keep our communities protected this respiratory illness season by ensuring all community members have access to vaccines. Do your part by getting your vaccine appointment today!

# Fall 2024 Flu and COVID Vaccine Clinic Schedule

REV 7.3.1.24
